The Greatest Show
(from The Greatest Showman)

Whoa, whoa, whoa

[Hugh Jackman:]
Ladies and gents, this is the moment you’ve waited for (whoa)
Been searching in the dark, your sweat soaking through the floor (whoa)
And buried in your bones there’s an ache that you can’t ignore
Taking your breath, stealing your mind
And all that was real is left behind

Don’t fight it, it’s coming for you, running at ya
It’s only this moment, don’t care what comes after
Your fever dream, can’t you see it getting closer
Just surrender ‘cause you feel the feeling taking over
It’s fire, it’s freedom, it’s flooding open
It’s a preacher in the pulpit and your blind devotion
There’s something breaking at the brick of every wall it’s holding
All that you know, so tell me do you wanna go?

[Ensemble and Hugh Jackman:]
Where it’s covered in all the colored lights
Where the runaways are running the night
Impossible comes true, it’s taking over you
Oh, this is the greatest show
We light it up, we won’t come down
And the sun can’t stop us now
Watching it come true, it’s taking over you
Oh, this is the greatest show

[Hugh Jackman:]
(Whoa) colossal we come these renegades in the ring
(Whoa) where the lost get found and we crown them the circus kings

[Ensemble and Hugh Jackman:]
Don’t fight it, it’s coming for you, running at ya
It’s only this moment, don’t care what comes after
It’s blinding, outshining anything that you know
Just surrender ‘cause you’re calling and you wanna go

Where it’s covered in all the colored lights
Where the runaways are running the night
Impossible comes true, intoxicating you
Oh, this is the greatest show
We light it up, we won’t come down
And the sun can’t stop us now
Watching it come true, it’s taking over you
Oh, this is the greatest show

[Hugh Jackman and Keala Settle:]
It’s everything you ever want
It’s everything you ever need
And it’s here right in front of you
This is where you wanna be (this is where you wanna be)
It’s everything you ever want
It’s everything you ever need
And it’s here right in front of you
This is where you wanna be
This is where you wanna be

[Ensemble, Zac Efron, Keala Settle, Zendaya and Hugh Jackman:]
Where it’s covered in all the colored lights
Where the runaways are running the night

I’m watching it come true, it’s taking over you
Oh, this is the greatest show

[Zac Efron and Zendaya:]
‘Cause everything you want is right in front of you
And you see the impossible is coming true
And the walls can’t stop us (now) now, yeah

This is the greatest show (oh!)
This is the greatest show (oh!)
This is the greatest show (oh!)
This is the greatest show (oh!)
This is the greatest show (oh!)
This is the greatest show (oh!)

Come Alive
(from “The Greatest Showman” soundtrack)

You stumble through your days
Got your head hung low
Your sky’s a shade of grey
Like a zombie in a maze
You’re asleep inside
But you can shake awake

‘Cause you’re just a dead man walkin’
Thinkin’ that’s your only option
But you can flip the switch
And brighten up your darkest day
Sun is up and the color’s blinding
Take a world and redefine it
Leave behind your narrow mind
You’ll never be the same

Come alive, come alive
Go and light your light
Let it burn so bright
Reachin’ up to the sky
And it’s open wide
You’re electrified

And the world becomes a fantasy
And you’re more than you could ever be
‘Cause you’re dreaming with your eyes wide open
And we know we can’t go back again
To the world that we were living in
‘Cause we’re dreaming with our eyes wide open
So, come alive!

[Ensemble:] Come one!
[Ensemble:] Come all!
[Ensemble:] Come in!
[Ensemble:] Come on!

[Anne Wheeler:] To anyone who’s bursting with a dream
Come one!
Come all!
You hear the call!

[PT Barnum:] To anyone who’s searching for a way to break free
(Break free!
Break free!)

[Ensemble and PT Barnum:] And the world becomes a fantasy
And you’re more than you could ever be
‘Cause you’re dreaming with your eyes wide open
And we know we can’t go back again
To the world that we were living in
‘Cause we’re dreaming with our eyes wide open

And the world becomes a fantasy
And you’re more than you could ever be
‘Cause you’re dreaming with your eyes wide open
And we know we can’t go back again
To the world that we were living in
‘Cause we’re dreaming with our eyes wide open

[Both:] ‘Cause we’re dreaming with our eyes wide open
So, come alive! (Come alive!)
A Million Dreams
(from “The Greatest Showman” soundtrack)

[Ziv Zaifman:]
I close my eyes and I can see
A world that’s waiting up for me
That I call my own
Through the dark, through the door
Through where no one’s been before
But it feels like home

They can say, they can say it all sounds crazy
They can say, they can say I’ve lost my mind
I don’t care, I don’t care, so call me crazy
We can live in a world that we design

‘Cause every night I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it’s gonna take
A million dreams for the world we’re gonna make

There’s a house we can build
Every room inside is filled
With things from far away
The special things I compile
Each one there to make you smile
On a rainy day

They can say, they can say it all sounds crazy
They can say, they can say we’ve lost our minds
I don’t care, I don’t care if they call us crazy
Run away to a world that we design

[Michelle Williams & Hugh Jackman:]
Every night I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
A million dreams, a million dreams
I think of what the world could be
A vision of the one I see
A million dreams is all it’s gonna take
A million dreams for the world we’re gonna make

For the world we’re gonna make

[Michelle Williams:]
However big, however small
Let me be part of it all
Share your dreams with me
You may be right, you may be wrong
But say that you'll bring me along
To the world you see
To the world I close my eyes to see
I close my eyes to see

Hugh Jackman:

[Michelle Williams & Hugh Jackman:]
Every night I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
A million dreams, a million dreams
I think of what the world could be
A vision of the one I see
A million dreams is all it’s gonna take
A million dreams for the world we’re gonna make
The Other Side
(from “The Greatest Showman” soundtrack)

[Person 1:]
Right here, right now
I put the offer out
I don’t wanna chase you down
I know you see it
You run with me
And I can cut you free
Out of the drudgery and walls you keep in
So trade that typical for something colorful
And if it’s crazy, live a little crazy
You can play it sensible, a king of conventional
Or you can risk it all and see

Don’t you wanna get away from the same old part you gotta play?
‘Cause I got what you need
So come with me and take the ride
It’ll take you to the other side
‘Cause you can do like you do
Or you can do like me
Stay in the cage, or you finally take the key
Oh, damn! Suddenly you’re free to fly
It’ll take you to the other side

[Person 2:]
Okay, my friend, you wanna cut me in
Well, I hate to tell you, but it just won’t happen
So thanks, but no
I think I’m good to go
‘Cause I quite enjoy the life you say I’m trapped in
Now I admire you, and that whole show you do
You’re on to something, really it’s something
But I live among the swells, and we don’t pick up peanut shells
I’ll have to leave that up to you

Don’t you know that I’m OK with this uptown part I get to play?
‘Cause I got what you need and I don’t wanna take the ride
I don’t need to see the other side
So go and do like you do
I’m good to do like me
Ain’t in a cage, so I don’t need to take the key
Oh, damn! Can’t you see I’m doing fine?
I don’t need to see the other side

[Person 1:]
Now is this really how you’d like to spend your days?
Whiskey and misery, and parties and plays?

[Person 2:]
If I were mixed up with you, I’d be the talk of the town
Disgraced and disowned, another one of the clowns

[Person 1:]
But you would finally live a little, finally laugh a little
Just let me give you the freedom to dream and it’ll
Wake you up and cure your aching
Take your walls and start ‘em breaking
Now that’s a deal that seems worth taking
But I guess I’ll leave that up to you

[Person 2:]
Well, it’s intriguing, but to go would cost me greatly
So what percentage of the show would I be taking?

[Person 1:]
Fair enough, you’d want a piece of all the action
I’d give you seven, we could shake and make it happen

[Person 2:]
I wasn’t born this morning, eighteen would be just fine

[Person 1:]
Why not just go ahead and ask for nickels on the dime

[Person 2:]
Fifteen

[Person 1:]
I’d do eight

[Person 2c:]
Twelve

[person 1:]
Maybe nine

[Person 2:]
Ten!

Don’t you wanna get away to a whole new part you’re gonna play?
‘Cause I got what you need, so come with me and take the ride
To the other side
So if you do like I do
So if you do like me
Forget the cage, ‘cause we know how to make the key
Oh, damn! Suddenly we’re free to fly
We’re going to the other side
So if you do like I do
(To the other side)
So if you do like me
(We’re going to the other side)
‘Cause if we do we’re going to the other side
We’re going to the other side
Never Enough
(from “The Greatest Showman” soundtrack)

I’m tryin’ to hold my breath
Let it stay this way
Can’t let this moment end
You set off a dream in me
Gettin’ louder now
Can you hear it echoing?
Take my hand
Will you share this with me?
‘Cause darling without you

All the shine of a thousand spotlights
All the stars we steal from the night sky
Will never be enough
Never be enough
Towers of gold are still too little
These hands could hold the world but it’ll
Never be enough
Never be enough

For me
Never, never
Never, never
Never, for me
For me
Never enough
Never, never
Never enough
Never, never
Never enough
Never, never

All the shine of a thousand spotlights
All the stars we steal from the night sky
Will never be enough
Never be enough
Towers of gold are still too little
These hands could hold the world but it’ll
Never be enough
Never be enough
Rewrite The Stars
(from “The Greatest Showman” soundtrack)

[Zac Efron:]
You know I want you
It’s not a secret I try to hide
I know you want me
So don’t keep saying our hands are tied
You claim it’s not in the cards
But fate is pulling you miles away
And out of reach from me
But you’re here in my heart
So who can stop me if I decide
That you’re my destiny?

What if we rewrite the stars?
Say you were made to be mine
Nothing could keep us apart
You’d be the one I was meant to find
It’s up to you
And it’s up to me
No one can say what we get to be
So why don’t we rewrite the stars?
Maybe the world could be ours
Tonight

[Zendaya:]
You think it’s easy
You think I don’t wanna run to you
But there are mountains
And there are doors that we can’t walk through
I know you’re wondering why
Because we’re able to be
Just you and me
Within these walls
But when we go outside
You’re gonna wake up and see that it was hopeless after all

No one can rewrite the stars
How can you say you’ll be mine
Everything keeps us apart
And I’m not the one you were meant to find
It’s not up to you
It’s not up to me
When everyone tells us what we can be
How can we rewrite the stars?
Say that the world can be ours
Tonight

[Zac Efron & Zendaya:]
All I want is to fly with you
All I want is to fall with you
So just give me all of you
**This Is Me**  
_by The Greatest Showman” soundtrack_  

I’m not a stranger to the dark  
Hide away, they say  
‘Cause we don’t want your broken parts  
I’ve learned to be ashamed of all my scars  
Run away, they say  
No one will love you as you are  

But I won’t let them break me down to dust  
I know that there’s a place for us  
For we are glorious  

When the sharpest words wanna cut me down  
I’m gonna send a flood, gonna drown them out  
I am brave, I am bruised  
I am who I’m meant to be, this is me  
Look out ‘cause here I come  
And I’m marching on to the beat I drum  
I’m not scared to be seen  
I make no apologies, this is me  

Another round of bullets hits my skin  
Well, fire away ‘cause today, I won’t let the shame sink in  
We are bursting through the barricades  
And reaching for the sun (we are warriors)  
Yeah, that’s what we’ve become  

Won’t let them break me down to dust  
I know that there’s a place for us  
For we are glorious  

When the sharpest words wanna cut me down  
Gonna send a flood, gonna drown them out  
I am brave, I am bruised  
I am who I’m meant to be, this is me  
Look out ‘cause here I come  
And I’m marching on to the beat I drum  
I’m not scared to be seen  
I make no apologies, this is me  

...This is me  

And I know that I deserve your love  
There’s nothing I’m not worthy of  
When the sharpest words wanna cut me down  
I’m gonna send a flood, gonna drown them out  
This is brave, this is bruised  
This is who I’m meant to be, this is me  

Look out ‘cause here I come (look out ‘cause here I come)  
And I’m marching on to the beat I drum (marching on,  
marching, marching on)  
I’m not scared to be seen
From Now On
(from “The Greatest Showman” soundtrack)

I drank champagne with kings and queens
The politicians praised my name
But those were someone else’s dreams
The pitfalls of the man I became
For years and years
I chased their cheers
A crazy speed of always needing more
But when I stop
And see you here
I remember who all this was for

And from now on
These eyes will not be blinded by the lights
From now on
What’s waited ‘til tomorrow starts tonight
It starts tonight
And let this promise in me start
Like an anthem in my heart
From now on
From now on
From now on
