

Growth Report

Each week your private lesson teacher will set short term and long term goals and practice suggestions to match your age, level and experience. Near the end of the annual or semester term, your teacher will fill out a growth report which is designed to capture student growth in four areas. These reports are meant to provide a snapshot of where students are now and where growth is needed.

SKILLS

- What new skills have been **learned**?
- What skills are being **reinforced**?

PARTICIPATION

- What **performance** and playing opportunities did you participate in this year?

REPERTOIRE

- What repertoire are we **learning**?
- What repertoire is **new**?
- What repertoire are we **refining**?

GROWTH, PRACTICE, & GOALS

- What foundational **skills** are we hoping to **grow**?
- What **practice supports** do we need to grow these skills?
- What are some long term or short term **goals** to develop our **musicianship**?
